Welding and Cutting Gases

Air Products offers an extensive range of welding and cutting gases. For a quick view, see the table below.

Further information can be found under each application.

Gases Available in the United Kingdom

Gas	MIG/TIG Welding	Plasma Arc Welding	Laser Welding	Laser Cutting	Plasma Cutting	Oxy- Fuel Cutting	Thermal Spraying
Acetylene						X	X
Air				X	X		X
Alumaxx Plus	X						
Argon	X	X	X	X	X		X
Argon/hydrogen	TIG	X			X		
Carbon dioxide	MAG			X	X		Cooling
Carbon monoxide				X			
Ferromaxx Plus	MAG						
Ferromax 15	MAG						
Ferromaxx 7	MAG						
Helium	TIG	X	X	X			
Hydrogen							X
Inomaxx Plus	MAG						
Inomaxx 2	MAG						
Inomaxx TIG	TIG	X					
Nitrogen				X	X		X
Nitrogen/hydrogen mixes				X			
Oxygen				X		X	X
Propane						X	X
Propylene						X	X
